

Sailing Classes Set in Redondo

Basic and advanced sailing classes will be offered on a year-round basis by the Redondo Beach Recreation and Parks Department, it has been announced.

Both courses will include six two-hour lessons and are open to all adults who own property, reside, or work in Redondo Beach, or their dependents who are at least 12 years of age.

Only applicants who pass a swimming test will be accepted for enrollment in the courses. A registration fee of \$12 per person will be charged.

Classes will begin in a two-week course Monday, Oct. 24. The sessions will be held Monday, Wednesday, and Friday from 12 to 2 p.m., 2 to 4 p.m., and 4 to 6 p.m. A special Saturday class will meet for the first time Oct. 29 and continue for six consecutive Saturdays.

Graduates of the basic class will be eligible to join the Redondo Beach Sailing Club and use the club's boats for recreational sailing if they are residents of Redondo Beach.

Applications may be obtained from the Recreation and Parks Department, 415 Diamond St., Redondo Beach.

Veterans Responsible for GI Loans Until Released

A VA document called "Release from Liability" can be one of the most important papers in a veteran's possession, according to Mort Webster, manager of VA's Southern California regional office.

When a veteran sells his GI home, he may remain personally liable if the buyer continues the payments on the original GI loan, Webster explained. Liability can continue until the loan is paid in full, or until the veteran is released by the VA of the obligation.

"Every veteran who sells his GI home should request the Veterans Administration for a 'Release from Liability.' We have many examples of veterans who have sold their properties and were led to believe they had no further responsibility for the mortgage debt. This is not true," Webster said.

Former Pastor Slated To Speak at Services

The Rev. Paul M. Nagano, executive secretary and evangelist of the Japanese Evangelical Missionary Society, will be the speaker for the Fall Preaching Mission of the Gardena Valley Baptist Church.

The special services will be held at 7:30 p.m. Oct. 6 through 9 at the church, 1630 W. 158th St., Gardena.

The Rev. Mr. Nagano was pastor of the Gardena Valley Baptist Church during the years following World War II when the congregation met at the Torrance Baptist Church. Since that time, he has served as pastor at Evergreen Baptist Church in Los Angeles and the Makiki Christian Church in Honolulu, Hawaii.

For the past four years, the Rev. Mr. Nagano has been leading evangelistic crusades in many Japanese churches along the Pacific Coast and in Hawaii.

Science Finds New Healing Substance That Promptly Stops Itching and Pain of Piles

New York, N. Y. (Special) — One of the most common afflictions is a condition known as "itching piles." It is most embarrassing for the victim during the day and especially aggravating at night.

No matter what you've used without results — here's good news. For the first time, science has found a new healing substance with the astonishing ability to promptly stop the burning itch and pain. It actually shrinks hemorrhoids — without surgery. Medical science has proved this substance produces a remarkably effective rate of healing. Its germ-killing properties also help prevent infection.

In one hemorrhoid case after another "very striking improvement" was reported and verified by a doctor's observations. This improvement was maintained in cases where a doctor's observations were continued over a period of months! Among these sufferers were a wide variety of hemorrhoid conditions, some of 10 to 20 years' duration.

The secret is this new healing substance (Bio-Dyne®) — discovery of a world-famous research institution. This substance is now obtainable in ointment or suppository form known as Preparation H. Ask for Preparation H Suppositories (convenient to carry if away from home) or Preparation H Ointment with special applicator. Available at all drug counters.
